Times of the tide are taken from the U. S. Coast and Geodetic Survey tables. The tides at Kahuili and Hilo occur about one hour earlier than at Honolulu. Honolulu standard time is 10 hours 30 minutes slower than Greenwich time, being that of the meridian of 157 degrees 30 mins. The time whistle blows at 1:30 p. m., which is the same as Greenwich 0 hours 0 minutes. The sun and moon are for local time for the whole group.

BRINGING OVER ENGLISH GOLD.

NEW YORK, July 7.—The gold importation movement of 1910 had its inception today with the engagement of \$1,750,000 in gold bars in London by Lazard Freres for importation to the United States. Imports of gold were forecasted by the demands made on New York institutions by Western banks for funds to finance land purchases in the West. Local bankers have recently sold large amounts of American securities abroad and now are availing themselves of these credits to strengthen their own position by importing gold.

LONDON, July 7.—American and Continental inquiries for gold have effectively barred all prospect of an immediate reduction in the bank rate. The directors of the Bank of England this morning decided to maintain the 3 per cent rate, although dealing on that basis at the present rate of exchange represents a loss. The engagement of \$2,000,000 of Cape gold for Germany, reported this morning is generally accepted as correct, and the recent releasing of bonds here should enable New York to take considerable gold. There soon will be in the neighborhood of \$3,750,000 available.

LORD SHOLTO DOUGLASS

WILL JOIN SURVEYORS.

SPOKANE (Wash.), July 7.—After searching vainly for his wife for two weeks, Lord Sholto Douglass, son of the Marquis of Queensberry has given up hope of finding her, and leaves for British Columbia to join a surveying gang. He is broken in health and spirit. He met Loretta Mooney, a California actress, fifteen years ago, and married her. His wife deserted him when he shot a man in British Columbia. Douglass has a son 9 years of age, a bright lad. He was cut off from his inheritance with a meager sum because of his marriage.

HARD FIGHTING IN FORMOSA.

VICTORIA, (B. C.), July 7.—Heavy

fighting has occurred in Formosa in connection with Japan's "little war" with the Formosan natives near Gulan. On June 15th a number of native bands combined and surrounded the Japanese troops, who extricated themselves with a loss of sixty-two killed and wounded. Three battalions of infantry and a battery of artillery were hurried to the scene from Taipei and the natives were dispersed with much loss, the casualties on the Japanese side being seventy-eight in killed and wounded.

TO PRINT MILLION COPIES OF

"ROOSEVELT IN AFRICA."

HAMMOND, (Ind.), July 7.—W. B. Conkey & Co., publishers, were awarded a contract here today for the publication of a million copies of "Roosevelt in Africa" by Scribner & Sons of New York. It is claimed this is the largest single order ever given.
